## In Deepest Sympathy

### BEREAVEMENT GATHERINGS, WAKES & MEMORIALS

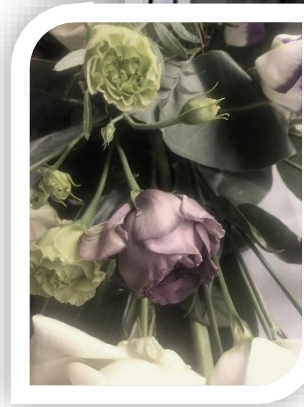

During this challenging and emotional period, our primary objective is to alleviate the burden of decision-making.

We specialise in hosting gatherings that range from intimate to larger-scale, creating an inviting atmosphere where guests can come together to share their grief and memories.

Locks Dining provides the ideal setting for informal gatherings, comfortably accommodating up to 80 guests when exclusively reserved. For more intimate gatherings, we reserve a dedicated space to welcome your expected guests.

If your gathering surpasses Locks' maximum capacity, we recommend our Banquet Suite, which can host up to 180 guests, whether you desire a relaxed gathering or a more formal occasion. Our room hire rates for the Banquet Suite will be confirmed upon knowing your expected guest count and any special arrangements you wish to make.

Both of our venues feature fully licensed bars and provide a welcoming space for mourners to come together and find solace in each other's company. We also offer areas for displaying memorabilia and arranging floral tributes, ensuring a personal touch as friends and loved ones unite to remember and celebrate a life well-lived.

# Bereavement Gathering Buffet Menus

Menu options are suitable after a service or as a 'celebration of life'

Buffet options are handcrafted and vary catering for a minimum of 30-expected guests and can be adapted to suit your requirement and plans for a bespoke menu. All buffets include a variety of assorted dainty sandwiches, tea or coffee

## MEMORIAL BREAKFAST BUFFET

Served until noon, this is a suitable choice for post-morning service gatherings.

## LIGHT FINGER BUFFET or SAVORY PLOUGHMAN'S BUFFET

For mid-afternoon gatherings that have extended beyond the typical lunchtime, our finger buffets offer a fitting option.

## LIGHT BUFFET MENU

The light buffet is an excellent selection for gatherings held around lunchtime or early evening. If you have guests traveling from afar and wish to offer a more substantial menu than a finger buffet, this option provides flexibility to add variety and customise a buffet that suits your unique preferences.

## ASSORTED CAKE BUFFET

This serves as a delightful addition to either of our buffet options. A slice of cake is always a warm and comforting gesture for those who may not have a substantial appetite.

## AFTERNOON TEA-STYLE CAKE BUFFET

A simple yet elegant choice, perfect for mid to late afternoon gatherings.  
Served buffet style and presented traditionally on tiered bone-china cake stands, it includes platters of dainty sandwiches, homemade quiche, and a variety of cakes.

## CONSIDER A WELCOME DRINK OR OPEN BAR TAB

No matter the scale of your event, we can arrange a "welcome drink" reception or set up an "open bar" tab for your guests.  
If you have a specific beverage preference in mind, please let us know, and we will make the necessary arrangements.
